LAING MIDDLE SCHOOL OF SCIENCE AND TECHNOLOGY iPad & COMPUTER ACCEPTABLE USE POLICY

INTRODUCTION

The focus of the Laing 1-to-1 iPad Initiative is to provide tools and resources for the 21st Century Learner. Excellence in education requires that technology be seamlessly integrated throughout the educational program. Increasing access to technology is essential for that future, and one of the learning tools of 21st Century students is the iPad. The individual use of iPads is a way to empower students to maximize their full potential and to prepare them for college and the workplace. According to studies and school reports, students who use a computing device in a one-to-one education environment are more organized and engaged learners, attend school more regularly, advance their knowledge and understanding of technology, and become constructors and designers of information and ideas. The iPad is a next generation device that makes learning more engaging and accessible.

Learning results from the continuous dynamic interaction among students, educators, parents and the extended community. Technology immersion does not diminish the vital role of the teacher. To the contrary, it transforms the teacher from a director of learning to a facilitator of learning. Effective teaching and learning with iPads integrates technology into the curriculum any time, any place.

1.0 GENERAL INFORMATION

The procedures and information within this document apply to all student iPad use at Laing Middle School, during and outside of school. It also includes any other device considered by the school administration to come under this document. Teachers may set additional requirements for use in their classroom.

1.1 Receiving your iPad

iPads will be distributed during the first few weeks of school. Parents and students must sign and return the Student Pledge for iPad Use and pay the iPad fee of \$35.00 before the iPad can be issued to the student to take home.

1.2 Returning your iPad

iPads with accessories (Apple brand, 10 Watt charging block, Apple brand USB connection cord, and protective case) will be returned to Laing Middle School prior to summer break. iPad cases furnished by the school must be returned with only normal wear and no alterations to avoid paying a replacement fee. If a student transfers, withdraws, is suspended or expelled, or terminates enrollment at Laing Middle School for any reason, he/she must return the iPad with accessories on the date of termination.

2.0 CARE AND STORAGE OF THE IPAD

The iPad is school property and all users will follow this document (iPad Usage Agreement), the CCSD Technology Acceptable Use Policy and the CCSD Student Code of Conduct for this

technology. Students are responsible for the general care of the iPad they have been issued by the school. iPads that are broken or fail to work properly must be taken to designated school personnel for an evaluation of the equipment as soon as possible.

2.1 iPad Identification

Student iPads will be labeled in the manner specified by the district via record of serial number, Laing's tagging personalized label (with CCSD number), and designated picture as wallpaper for both the Lock screen and Home Screen (Picture/Student Name/Homeroom). The student's home and lock screen backgrounds must have a picture of the student holding a sign with the serial number, the CCSD number, name, and homeroom teacher. This must be present all year long.

General Procedures and Precautions

Students will be held responsible for maintaining their iPads and keeping them in good working order. Students are responsible for keeping their assigned iPad's battery charged for each and every school day. This charging should take place at home during the night prior to school. Students should come to school with their iPads charged to at least 90% each day. Cords and cables must be inserted and removed carefully into and from the iPad to prevent damage. iPads must remain free of any writing, drawing, stickers, graphics or labels that are not the issued property of Laing Middle School. iPads must never be left in an unlocked car or any unsupervised area in school or outside of school. iPads must not be exposed to direct sunlight, excessive heat, or severe cold.

2.3 Screen Care

iPad screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen. Do not lean on the top of the iPad when it is closed. Do not place anything near the iPad that could put pressure on the screen. Do not place anything in the case that will press against the screen. Do not "bump" the iPad against walls, car doors, floors, etc. as it will eventually break the screen. Only use a clean, dry, soft cloth or anti-static cloth to clean the screen. No cleansers of any type should be used on the screen.

2.4 Carrying iPads

The provided iPad protective cases have sufficient padding to protect the iPads from normal treatment and provide a suitable means for carrying the device. iPads must always be inside the protective case when carried. iPads must always be placed in a bookbag when being transported between classes.

Storing Your iPad

When students are not using the iPads at school, they should be stored in their bookbags. Nothing should be placed on top of the iPad when stored. Students approved for iPad take-home privileges are expected to take the iPads home every day after school. iPads should not be stored in a vehicle at school or at home. If a student is not approved for iPad take-home

privileges, or the student is waiting for an iPad repair, they should check out a loaner from their grade level representative. The loaner device should be checked out before 8:30 and checked in at 3:20. The loaner device will NOT be a take home device. If a student needs a secure place to store the iPad, he/she may check it in for storage with designated school personnel.

2.6 iPads Left in Unsupervised Areas

Under no circumstances should iPads be left unsupervised by the student. Unsupervised areas include the school grounds, lunchroom, computer lab, locker rooms, library, unlocked classrooms, dressing rooms, hallways and any area without supervision. Any iPad left in these areas is in danger of being stolen. If an iPad is found in an unsupervised area, it will be taken to the main office. Leaving an iPad in an unsupervised area is considered an infraction of the iPad Usage Agreement.

3.0 LOSS OR DAMAGE

3.1 Damaged iPads

iPads that malfunction or are damaged must be reported to designated school personnel immediately. The school will be responsible for repairing iPads that malfunction or are accidentally damaged. The school will replace one cracked screen. Any additional cracked screens will be replaced by the student at a cost of \$60.00 per additional cracked screen. This DOES NOT cover intentional damage. If it has been determined by the school that there was intentional damage to an iPad, the student/parent is responsible for full payment of the intentional damage and the student will no longer be allowed to take the iPad home. Loaner iPads (if available) may be issued to students when they leave iPads for repair with designated school personnel. There may be a delay in getting an iPad should the school not have enough to loan.

If the iPad is damaged due to misuse, neglect, or by accident the student will not be allowed to take the iPad home unless an iPad case, that will provide greater protection, is purchased by the student.

3.2 Missing, Stolen or Vandalized iPads/Chargers

iPads that are missing or stolen while either on or off school property must be reported immediately to designated school personnel. iPads that are not brought to school for two days will be considered missing. Due to privacy concerns, iPads are not tracked via "find my iPad"; students must be responsible for keeping track of their iPad at all times. Laing will use the Mobile Device Management software (MDM) to manage all iPads and apps. In cases of theft, vandalism, and other criminal acts, a police report MUST be filed by the student and/or parent. A copy of the police/fire report must be provided to the main office. If not, the student will be responsible for replacing the iPad at a cost of \$500.00 per lost iPad. Students will be provided with one Apple Charger to take home. Students must return a working 10 Watt Apple Charger in good order (no visible signs of misuse or neglect) at the end of the school year or pay a standard replacement fee of \$35.00.

4.0 USING YOUR IPAD AT SCHOOL

iPads are intended for use at school each day. Students must bring the iPad to all classes, unless specifically instructed not to do so by their teacher. iPads are only to be used for school content. Accessing games, inappropriate content such as: videos, pictures, reading material, or establishing a Virtual Private Network (VPN) will result in disciplinary consequences and potential loss of iPad privileges.

4.1 iPads Left at Home

If a student leaves the iPad at home, he/she is responsible for completing course work as if the iPad were present. Leaving the iPad at home is an infraction and will result in students losing at-home privileges.

4.2 Charging your iPad's Battery

iPads must be brought to school each day fully charged. Students need to charge their iPads each evening.

4.3 Lock Screen and Home Screen Wallpaper

Students will be required to have a designated picture as wallpaper for both their Lock Screens and Home Screens. This picture needs to be of the student, holding a sheet of paper with the student's name, homeroom teacher, CCSD Asset Tag and serial number. No other pictures should be saved as the home or lock screen. Inappropriate pictures should not be on the iPad at all. Inappropriate pictures include, but are not limited to: the presence of weapons, pornographic materials, inappropriate language, tobacco, alcohol, drug, and gang related symbols or pictures. Use of any inappropriate pictures on the iPad will result in disciplinary actions per CCSD Student Code of Conduct.

4.4 Games, Music, Videos, Podcasts and Apps

The iPad has limited storage and this storage is designated for educational use. Inappropriate content is NOT allowed on the iPad. Inappropriate content includes: games, music, videos, podcasts, pictures, documents, presentations and apps that contain the presence of weapons, pornographic materials, inappropriate language or lyrics, tobacco, alcohol, drug, and gang related symbols or pictures. Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. The iPad has limited storage and educational use has top priority. Non-educational and non-school pushed apps should not be on the iPad. Data storage will be managed through e-mail and cloud-based storage locations (Google Drive).

4.5 Printing

Printing may be available from iPads via Google Drive. Students need to save ALL work from their iPad to Google Drive so students can print from home or the media center.

4.6 Home Internet Access

Students are allowed to connect to their home Wi-Fi network to complete homework. Keep in mind that CCSD does NOT provide Internet filtering outside of the district's network. Parents/guardians are responsible for the online activities and behavior of their children.

5.0 MANAGING YOUR FILES & SAVING YOUR WORK

5.1 Saving to the iPad.

Storage space will be available on the iPad—BUT it will NOT be backed up in case of re-imaging. It is the student's responsibility to ensure that work is not lost due to mechanical failure or accidental deletion. Students need to save all of their work to their Google Drive account.

5.2 Network Connectivity

CCSD makes no guarantee that the district network will be up and running 100% of the time. When the network is down, the district will not be responsible for inaccessible, lost, or missing data.

6.0 iOS AND APPS

6.1 District-Installed Apps

The apps originally installed by Laing Middle School must remain on the iPad and be easily accessible at all times. From time to time the school may add apps for use in a particular course. Periodic checks may be made by designated staff to ensure that students have not removed required apps or added inappropriate content.

6.2 Additional Apps

Laing Middle School will sync all iPads so that they contain the initial required school-purchased apps. Students will also sync their own iPads at school, following the established procedures, when instructed by their teachers in order to install required apps via Self Service.

6.3 Inspection

Students may be selected at random to provide their iPads for inspection by any designated staff at school.

6.4 iOS and App Updates

Updated versions of the iOS and apps are available from time to time. Students may be required to check in their iPads for periodic updates and syncing.

7.0 ACCEPTABLE USE

7.1 Statement of Responsibility

The use of the network is a privilege. The user is responsible for what he/she says and does on the network. It is important for the user to stop and think before communicating and to show respect for others and for their ideas. Student users should assume that none of their data is private or confidential. Any communication or data may be subject to review by district or school

administration. Wireless Internet access (Wi-Fi) is available on every iPad at Laing Middle School. Network administrators will make reasonable efforts to maintain reliable service. They cannot, however, absolutely guarantee that the system will always be available or operating correctly.

7.2 Parent/Guardian Responsibilities

It is expected that parents/guardians talk with their child about values and standards that the child should follow on the use of the Internet just as they would on the use of all media information sources such as television, telephones, movies, and radio. Parents/guardians are also expected to talk with their child about the dangers and consequences of cyberbullying, inappropriate use, and other misuses of the Internet.

7.3 School and District Responsibilities

Provide Internet and email access to its students.

Provide Internet filtering/blocking of inappropriate materials in compliance with the Children's Internet Protection Act (CIPA) while using the CCSD Internet system. (This does not pertain to Internet access outside of school). Provide network data storage areas (network data is not accessible through the iPad). Student network storage is treated like student lockers. Laing reserves the right to review, monitor and restrict information stored on or transmitted via district owned equipment and to investigate inappropriate use of resources. Provide iPad instruction and guidance to students and assure student compliance of the CCSD iPad Usage Agreement and the CCSD Technology Acceptable Use Policy.

7.4 Students Responsibilities

Students will use iPads and school computers in a responsible and ethical manner. Students will obey school rules concerning behavior and communication that apply to district network use, the CCSD iPad Usage Agreement and the CCSD Technology Acceptable Use Policy. This policy is available online and in the student handbooks. Students will use all technology resources in an appropriate manner so as to not damage school equipment. "Damage" includes, but is not limited to, the loss of data resulting from delays, non-deliveries, or service interruptions caused by the students' own negligence, errors or omissions. Use of information obtained via CCSD's Internet system is at the user's own risk. Laing's specifically denies any responsibility for the accuracy or quality of information obtained through the CCSD Internet system. Students will help CCSD protect the district network and iPads by contacting designated school personnel about any security problems they may encounter. Students will monitor all activity on their account(s).

Students should always turn off and secure the iPad after they are done working to protect their work and information. If a student should receive an email or other electronic message containing inappropriate or abusive language, or if the subject matter is questionable, he/she is asked to inform a teacher or other designated staff member (and if applicable print a copy and turn it into designated school personnel). Students will turn in the iPad to their school at the end of each school year. Students who graduate early, withdraw, are suspended or expelled, or

terminate enrollment at Laing Middle School for any other reason must return the iPad on the date of termination.

7.5 Student Discipline

The violations and consequences outlined by this iPad Usage Agreement are aligned with the CCSD Student Code of Conduct levels of infractions. The discipline procedures in the CCSD Student Code of Conduct address all levels of offenses, including stealing and destruction of school or personal property. This applies to all CCSD property, including school-assigned iPads. Depending on the seriousness of the offense, students may lose iPad usage rights and/or network privileges, or may be suspended or even in extreme cases expelled.

LAING MIDDLE SCHOOL STUDENT PLEDGE FOR IPAD USE

Any acts seen as not meeting this pledge are considered infractions resulting in consequences of limited or no iPad use.

I will take good care of my assigned iPad.

I will never leave my iPad unattended.

I will never loan out my iPad to other individuals.

I will know where my iPad is at all times.

I will charge my iPad's battery daily.

I will keep food and beverages away from my iPad.

I will not disassemble any part of my iPad or attempt any repairs.

I will protect my iPad by keeping it in the assigned or school-approved protective case at all times.

I will use my iPad in ways that are appropriate and educational and in ways that conform to Laing's expectations.

I will not place non-approved decorations (such as stickers, markers, etc.) on the iPad or case.

I will not deface or remove the serial number iPad sticker on any iPad.

I understand that my iPad is subject to inspection at any time without notice and remains the property of Laing.

I will follow the expectations outlined in the Laing's Procedures and Information Guide while at school, as well as outside the school day.

I will file a police report in case of theft or vandalism.

I will be responsible for all damage or loss caused by neglect or abuse.

I agree to return my assigned Apple iPad, case, and 10 Watt Apple charger and cord to school in good working condition.

I understand and agree to the stipulations set forth in this iPad Usage Agreement and the CCSD Technology Acceptable Use Policy.

WELCOME

Welcome to Laing Middle School of Science and Technology!

This student agenda has been developed to help familiarize you with school guidelines. The ultimate goal of Laing Middle School of Science and Technology is to provide each student the opportunity to reach his or her maximum potential in a challenging, secure and nurturing environment. The faculty, staff and administration are here to help and support you. Strive to always do your best and take advantage of all Laing Middle School of Science and Technology has to offer.

MISSION

The mission of Laing Middle School of Science and Technology is to prepare and inspire generations of learners to meet the challenges of our 21st century society by fostering technological literacy, academic achievement, innovation, collaboration, and creative problem solving.

CORE BELIEFS

The Laing faculty is committed to: Facilitating student learning by encouraging innovation through independent and collaborative problem solving. Implementing collaborative ideas that promote openness to ask questions and take risks while seeking solutions. Developing professionally by setting goals and seeking growth opportunities. Creating assessments that address a variety of modalities so all students achieve success.

Laing students are successful when: Content is relevant, engaging, and revolves around real world problem solving. Given the opportunity to demonstrate their knowledge utilizing a variety of modalities. Multiple learning styles and creativity are recognized and appreciated by the teacher. When there is meaningful collaboration amongst teachers. They work effectively, respectively and collaboratively. They take ownership of their learning.

ARRIVAL/DISMISSAL

The morning bell rings at 8:30 AM and students are dismissed at 3:30 PM. **Students are not allowed on campus prior to 8:00 AM, as there is not supervision for them prior to that time.** Exceptions include students with a pass for teacher help or before school activities. Arrangements should be made for all car riders to be picked up daily by 3:50.

Upon arrival at 8:00, students will report to their grade-level areas until dismissed to first period. All students eating breakfast will enter the cafeteria, sit down, and eat. When they have finished with breakfast, the students will leave and report to their designated grade-level area. Students may NOT have food or drinks outside of the cafeteria before school begins.

6th Graders: Will report to the cafeteria in the morning

7th Graders: Will report to the gym in the morning

8th Graders: Will report to the gym in the morning

Once students arrive on campus in the morning, they MAY NOT leave campus at any time or for any reason before school or during school hours unless signed out by a parent/guardian in the main office.

BUS TRANSPORTATION

Bus transportation to and from school is a privilege for students. **Students riding the bus must obey the driver and all school rules, as the bus is an extension of the school. Safety regulations require students remain seated and quiet during the time the bus is in operation. Students will be denied the privilege of riding the bus if they misbehave or fail to obey the rules and regulations.** Students may also be denied the privilege to ride the bus for the remainder of the school year if the efforts to correct student misbehavior are not successful. Please notify the school in writing of any change in student bus transportation **prior to 10 AM.** Bus passes are ONLY given if bus is not at capacity. There is no guarantee a child will be allowed to ride a bus that is not assigned to them in the neighborhood. The front office will verify any changes and give students permission slips for the bus driver as appropriate.

CAR RIDER

Parents are asked to drop off and pick up students in the car loop in the front of the building (that faces Jennie Moore Elementary school). Parents should pull all the way to the front of the line to create a long drop off line to accommodate as many students as possible. This is necessary to maintain safety for the students and traffic flow on Bulrush Basket Lane, which is shared with Jennie Moore. Parents are asked to obey the directions of the staff on duty in the mornings and afternoons.

Car Line Map:

TRANSPORTATION CHANGES

Please avoid calling the office to make transportation changes after 3:00 PM. It will be nearly impossible for secretaries to look up the students and get the messages to the classrooms by 3:30, while continuing to answer phones and accommodate visitors signing in and out. Students may not be signed out after 3:00PM. Of course, emergencies happen and naturally, we understand those circumstances. However, we will not be able to repeatedly contact the same students for changes of plans or early dismissal.

BICYCLES

Bicycles are to be parked at the bike racks upon arrival on the school grounds. No one will be allowed to ride bicycles on the campus prior to, during, or after the school day. **All bicycles left at the bike racks MUST BE PROPERLY LOCKED, as the school cannot be responsible for lost/stolen bikes. Scooters are not permitted on campus.**

ATTENDANCE

A student's regular attendance at school is critical to academic success. While a student may receive make-up work and notes from other students, nothing can replace the interaction between student and teacher in the classroom. In addition, attendance is required for promotion and/or credit. Students in grades K-8 may not be eligible for promotion if they have more than ten (10) unlawful and/or unexcused absences. Students with ten (10) or more absences will also be required to attend a truancy conference and complete a truancy contract. Parent/Guardian attendance is mandatory at this conference. **Students who miss 50% or more of the instructional day (12:00 PM is considered the midpoint of the day) will be counted absent for the day.**

All absences are defined as lawful (excused, unexcused) or unlawful. An excused lawful absence (including excused tardiness) shall permit a student to make up work missed during the absence.

EARLY DISMISSAL

When a student is scheduled or expected to leave school early, he/she is required to bring a dismissal note with the appropriate contact information to include parent's signature. The student must show the note to the main office during homeroom. Notes are subject to verification. The student should report to the main office at the time of his/her dismissal to be signed out. Again, we would greatly appreciate you **not signing your child out during the last 30 minutes of the day.**

TARDIES

It is important for students to arrive at school on time. In the event that a student arrives late, he/she **MUST** be accompanied by a parent/guardian when signing in the main office. No student will be allowed to sign himself/herself in or out. Students with three or more tardies are subject to detention.

HALL PASSES

Students are not permitted in the halls during class periods unless they are accompanied by a faculty/staff member or have a signed Agenda pass. All students will be given an agenda at the beginning of the school year. There are pages in the back of this book designated as hall passes. Students must have a hall pass completed and properly signed in order to be out of the classroom for any reason. **Verbal permission is not acceptable.** It will cost \$7.00 to replace an agenda.

BOOK-BAGS/BACKPACKS

Students at Laing Middle School of Science and Technology will be responsible for carrying their necessary materials to and from class in their book-bag. Classrooms will have cubbies for additional materials but there are no student lockers in the school.

CURRICULUM

Students in middle schools in Charleston County will be placed in math and language arts classes in one of two levels-college-prep or honors. College-Prep classes are designed for students who are working on grade level. Honors classes are designed for students working well beyond grade level. End-of-year grades, achievement test scores and teacher recommendation determine placement into the honors and high school credit classes. However, all classes are taught to challenge and motivate students.

GRADING SCALE AND PROMOTION/RETENTION

All grades will be reported by a numerical system:

90-100	A
80-89	B
70-79	C
60-69	D
59 and below	F

Students must turn in all assignments at the teacher assigned deadline or risk receiving a zero for the assignment. Students and parents are encouraged to review together all interim reports and report cards in order to determine the likelihood of the student passing or failing. At the first sign of a grade below 68 on an interim report or report card, parents should call the school to schedule an appointment for a conference with the student's teachers. **DO NOT WAIT UNTIL APRIL TO BE CONCERNED WITH LOW GRADES!** We are here to assist you and will be available to meet with you to discuss your student's progress.

TEXTBOOKS

Books will be distributed to teachers as a class set. The books assigned will be monitored by the SC Department of Education. There is no rental fee charged for the use of School Textbooks.

HOMEWORK

It is the policy of Laing Middle School of Science and Technology that regular and meaningful homework assignments are educationally valuable and necessary. In addition to reinforcement of skills attained through drill exercises, homework assignments should encourage students to conduct research and to think independently. Generally, the amount of homework time spent by students per day should be:

6th grade

45-60 minutes

7th grade and 8th grade

60-90 minutes

In the event of an absence from school, students may check with the teacher or Parent Portal to obtain daily homework assignments. It is the student's responsibility to obtain all work assignments missed and to make arrangements to make up missed tests. Students must turn in homework at the teacher assigned deadline or risk receiving a zero for the assignment. Teachers will assist students in this process.

SCHEDULE CHANGES

Teacher assignments, course offerings, and class sizes are determined from registration information. The master schedule is developed based on student data available in the spring, and class assignments are made to ensure a variety of academic arts experiences are provided to students.

Students have a period of 5 school days in order to drop or add courses. A schedule change request form can be picked up in the guidance area. It should be filled out and signed by a parent/guardian and turned in to guidance or administration by the 5th day. If no request is received within the 5th day, then student the student must wait until the end of the semester to change classes (unless otherwise noted by that classroom teacher).

6th/7th/8th Grade Yearlong Classes (Band, Chorus, Strings, Spanish I – 8th grade only)

Students can ONLY drop these courses at the end of a semester. Meanwhile, students must maintain their academics while in that class (and they can work out any system/plan etc. with the teacher to do so) until the end of that semester.

Related Arts will NOT be changed unless there is a medical reason (ie. note from a doctor not to participate in PE, etc.) or an exceptional case. All of these requests must occur within the **5-day** drop/add period.

PLEASE NOTE -- CHOICES OF TEACHERS AND OTHER STUDENTS CANNOT BE HONORED.

LIBRARY/MEDIA CENTER

The library is open every school day for circulation and reference use. An appropriate pass from a teacher or an administrator is required when students visit the library.

GUIDANCE SERVICES

Counseling is available to all students. Counseling can help students and/or parents with school-related or personal issues. Laing has counselors who offer the following services: conflict resolution, educational planning, and interpretation of test scores, career information, study hints, and group and individual counseling. Appointments to visit the counselor should be made through the guidance office during homeroom. Students must always have a pass to see a counselor. Parents may contact a counselor by calling 843-849-2809.

CAFETERIA

The Laing Middle School of Science and Technology cafeteria should at all times be a neat, clean, and pleasant place. All students in the beginning of the school year will be made aware of Laing PRIDE and cafeteria procedures. Any student who demonstrates an inability to comply with cafeteria regulations will receive appropriate disciplinary action.

To maintain a pleasant dining area for each grade level eating in the cafeteria, students will routinely take turns as table cleaners at the end of their lunch periods. Guidelines and expectations will be set and discussed by each homeroom teacher.

BREAKFAST AND LUNCH/FOOD ON CAMPUS

Breakfast and lunch will be served everyday with the option to buy extra milk. *Applications for free or reduced lunches will be distributed to students at the beginning of school.* Families are encouraged to pay for lunches in advance.

CCSD is now offering a convenient and secure way to prepay for a student's meal through the online services of lunchprepay.com.

	<u>FULL PRICE</u>	<u>REDUCED</u>	<u>ADULT</u>
Breakfast	\$1.40	\$0.30	\$2.00
Lunch	\$2.25	\$0.40	\$3.75

There will be numerous other "Ala Carte" meals that will be price from \$1.00 to \$3.50.

Extra milk can be purchased for \$0.50.

Students may eat only in the cafeteria. **Gum is prohibited anywhere on school grounds.**

Students are not to chew gum or have it in their possession. The sale of candy or chewing gum, etc. will not be tolerated. Teachers and administrators will confiscate these items if discovered on campus.

FIRE DRILLS/DISASTER ALERTS

In case of fire or other emergency, the signal to evacuate the building will be a continuous sounding of the fire alarm. An evacuation plan is posted in each room showing the route of evacuation for that particular room. In any emergency situation, students are to remain quiet and follow teachers' instructions concerning moving to a designated area, etc.

CLINIC/HEALTH CARE

The school clinic is limited to handling minor first aid cases. Accidents that happen at home need to be treated at home. When students become ill at school, they will be evaluated by the school nurse and if necessary, after consultation with the parent/guardian sent home. Our clinic

is staffed with a Registered Nurse 5 days per week between the hours of 8:00 AM and 4:00 PM. Office staff will care for sick children in the nurse's absence.

MEDICATION

(CCSD policy JLCD-Assisting Students with Medications) Any prescription medication or medical procedure (blood sugar check, tube feeding) to be administered at school or school related activities must be accompanied by written orders from a healthcare practitioner. Limited over-the-counter medications may be administered at school by the school RN or LPN with parent consent. Refer to the following website for more information.

http://www.ccsdschools.com/divisions/learning_services/support_services/nursing_services

When possible, medications should be given by parents/guardians before or after school hours. If a child needs to take any prescription medicines, or any over the counter medicines not listed in the above website or have any medical procedures to be performed during the school day, the following steps are required:

- Request a CCSD Doctors Order form from the school nurse or they are available online: <http://www.ccsdschools.com/0134/documents/ParentInformationMedicationsMedicalProcedures.pdf>
- Present the form to your child's physician and request that it be completed and signed. Complete and sign the parent portion of the form.
- Bring the completed form and the medication to the school office. Medication must be provided by the parent in the original, sealed, properly labeled container.
- No student shall carry medicine in school except for students given permission to do so to guard against a life threatening condition. Permission will be granted only after careful review and consultation with the registered school nurse, the student's parent/legal guardian and physician or legal prescriber. A Health Management Plan must be completed.

Please note that it is a violation of Charleston County School District Board policy for your child to be in possession of any type of medication unless these procedures have been followed. Students in possession of any kind of medication on campus that have not followed the proper procedures may be referred for disciplinary actions.

EMERGENCY CARDS

A parent should fill out the student's emergency card completely as well as the emergency page in the Student Agenda. It is crucial that your emergency contacts are people who are usually available to pick up your child. Any significant health problems should be noted on the emergency card and in the Student Agenda. The emergency card authorizes the school to obtain emergency medical care in case of a serious accident or injury or medical situation.

ELECTRONIC DEVICES/CELL PHONES

Students are only permitted to use electronic device such as cellular phones, smart watches, gaming devices, etc. before school, during lunch, and after school. Students using or having electronic devices turned on during the school day shall have their electronic devices confiscated and returned to a parent/guardian (see cell phone policy below). At no time may an electronic device be used for illegal or unethical purposes. The use of a cell phone/electronic device may include but is not limited to:

- **Text messaging**
- **Taking pictures or videos**
- **Playing games**
- **Receiving/sending calls**
- **Use of social media**

All cell phones and smartwatches must be turned off or placed in student book-bags during school hours. No student may use a cell phone, smartwatch, or portable communication device on school property during the school day other than lunch. Student using or having cell phones that interrupts instruction shall have:

1st offense: Phone or electronic device confiscated, parent must pick up the phone, warning letter concerning the guidelines of electronic devices/smart watches/cell phones/telecommunications devices signed and copy given to parent.

2nd and 3rd offenses: Phone or electronic device confiscated for 30 days or consequence to be determined by administration.

PERSONAL PROPERTY/ LOST & FOUND

A student's personal property is his/her own responsibility. Students are not allowed to bring large sums of money or electronic devices. These items will be confiscated and held until the parent/guardian picks them up from the main office. Lost articles are kept in the lost and found in the cafeteria. Periodically throughout the school year and at the end of the school year, unclaimed clothing items will be donated to charity.

IDENTIFICATION BADGES

Student identification badges (IDs) are considered part of the Laing Middle School of Science and Technology dress code and must be worn at all times. This is a safety procedure and a way to ensure that we know all our students here at Laing. Students are to wear their school issued ID badge with a lanyard at all times. **The ID should be worn outside of the outer layer of a shirt so that it is visible at all times. Students should not write on or deface the ID in any way.** Students that deface the ID will have to purchase a new ID.

If a student forgets his/her ID, he/she may get a temporary ID for \$1.00 from the media center from 8:00-8:30, and the main office after 8:30. Temporary IDs are good for one day only. A replacement ID is \$5.00 and includes a lanyard. Replacement lanyards are \$1.

VISITORS – MUST REPORT TO MAIN OFFICE

All visitors must report to the main office to receive a visitor's badge. It is Laing's policy not to allow students to have out-of-town visitors at school during the school day. We use a visitor management system that will require each person entering a Charleston County School District to have a state issued picture I.D. or Driver's License for entry.

Laing Middle School of Science and Technology Dress Code 2018-2019

In lieu of a school uniform, Laing Middle School of Science and Technology students will adhere to the following dress code. Students at Laing Middle School are expected to dress in a manner that is not distracting to the educational experience. Students are expected to show pride in themselves and their school by having their dress and appearance reflect the high expectations of Laing Middle School of Science and Technology. Parents are encouraged to monitor their student's dress to ensure compliance. With that in mind, we expect all students to follow the dress code regulations.

Acceptable Student Attire:

- neat, long or short sleeved shirts, t-shirts, sweatshirts, or lightweight fleeces
- clean, properly sized pants, shorts, or skirts
- belts should be worn with pants
 1. Tops must be long enough that they can be tucked into pants or shorts and shall cover the beltline when the arms are raised above the head. Shoulder straps should be **at least 2** fingers wide.
 2. Pajamas (or pants resembling pajamas) and yoga pants are NOT appropriate attire.
 3. Leggings are NOT appropriate attire for school unless worn under a dress or skirt of appropriate length (thumb length).
 4. The minimum length of skirts, and shorts (including chubbies) must reach the end of the longest finger while the student's hands are at his/her sides.
 5. Clothing shall be loose-fitting and should not expose the midriff, cleavage, bare shoulders, back, or underarm area. No tank tops, halter-tops, crop tops, strapless tops, spaghetti straps, see-through garments, etc. shall be worn.
 6. Undergarments/lack of undergarments must never be visible!
 7. Basketball shorts, athletic shorts, nylon shorts/pants, and sweatpants are not acceptable.
 8. No clothing, jewelry, or accessory will be permitted that displays profanity, weapons, violence, suggestive phrases, alcohol, tobacco, drug advertisements or other inappropriate phrases or symbols as determined by the administration.
 9. You may not wear jewelry such as spiked bracelets, chains or chokers of a size or design that may be considered or used as a weapon, as determined by the school administration.

10. **ONLY ear piercing is acceptable** -- no body piercing (e.g. lips, nose, tongue, etc.)
11. Grills cannot be worn to school.
12. You may not wear hats, sweatbands, goggles, bandanas, hair picks, combs, or any headgear on campus. Sunglasses are not to be worn inside the building. The hoods on hooded sweatshirts may not be worn.
13. While on the Laing Middle School of Science and Technology campus, you may not wear towels, blankets or bandanas as accessories on your clothing, around your body or on your book bag.
14. Health laws require students to wear shoes at all times. To prevent accidents on the stairs, students should avoid wearing shoes that slide off easily. Bedroom footwear is not permitted.
15. Students may wear special dress or costumes for special occasions when approved by the principal.
16. **Any other dress or jewelry deemed inappropriate by school administration will result in disciplinary consequences.**

PARENT INVOLVEMENT

We appreciate the critical role that parents play in the education of their children. Your interest in your child's education helps to make our teachers much more effective in the classroom. There are many ways you can be involved at Laing, and we encourage you to take advantage of as many of these opportunities as possible! Please call the school if you need information about participating in any way.

PARENT PORTAL

Parent Portal allows you to access up-to date information on your child's grades and attendance. You will be able to simply click on your child's grade in a class and see the complete list of assignments and grades; and be able to email your child's teachers by simply clicking on their name within the grade book. To access the Parent-Portal, you will need access to a computer with internet access and a working email account, to which you alone have access. Send the following information to: LMSParentPortal@charleston.k12.sc.us

- (1) Your child's or your children's full legal names – as they appear on their birth certificates
- (2) Your full legal name
- (3) Your current address
- (4) Your best daytime contact phone number
- (5) The last four digits of each child's social security number
- (6) The last four digits of a parent/guardian/backup phone number that we have on-file.
- (7) If you already have a Parent Portal guardian account for a student at another school, please provide that information. Your existing account can access multiple students.

We will verify your information and email you a Private Access ID and Password and Information on how to access and maximize the Powerschool Parent Portal.

DISCIPLINE

STUDENT BEHAVIOR CODE

In any community of students, it is necessary for rules to be established and consequences developed for students choosing not to follow the established rules. Students at Laing Middle School of Science and Technology are required to conduct themselves at all times and places in a manner that will be in the best interest of the school. Conduct that contributes to any disturbance or invasion of the rights of others is a basis for student suspension or expulsion.

The rules, regulations and due process procedures are designed to protect all members of the educational community in the exercise of their rights and responsibilities. These rules are effective during the following times and in the following places: on the school grounds during and immediately before or immediately after school hours; on the school grounds at any other time when the school is being used by a school group; off the school grounds at a school activity, function, or event; and en route to and from school on a school bus (to include bus stops) or other school vehicle. The administration, faculty, and staff assume that middle school students are mature and responsible for their own proper behavior at school and that all discipline matters can be handled in a calm and reasonable manner.

In order to maintain an atmosphere conducive to learning, certain standards of behavior are necessary. Each student is under the direct control of all staff members and their substitutes. Standard procedures for disciplinary infractions will be enforced fairly, promptly and equitably to every student. Additional guidelines can be obtained from the 2018-2019 Charleston County Student Code of Conduct.

LAWS AND POLICIES

Laing Middle School of Science and Technology operates under and is bound by state and municipal laws, codes, and regulations as well as Charleston County School District policies. State laws that require criminal charges and penalties are in addition to administrative action taken at the school. **Parents are urged to read and summarize these laws and policies as appropriate for their children.**

Disturbing School: "It shall be unlawful: (1) for any person willfully or unnecessarily (a) to interfere with or disturb in any way or in any place the students or teachers of any school or college in this State (b) to loiter about such school or college premises or act in an obnoxious manner thereon; or (2) for any person to (a) enter upon any such school or college premises or (b) loiter around the premises, except on business, without the permission of the principal or person in charge." Any person violating any provisions of this section shall be guilty of a misdemeanor and, on conviction, thereof, shall be fined or imprisoned.

Safe School Act: The South Carolina Safe Schools Act of 1990 makes it a criminal offense to distribute a controlled substance while in or on or within a radius of one-half mile of grounds of a public school. The penalty is up to a \$10,000 fine or 10 years imprisonment, or both. The penalty is greater if the substance involved is crack cocaine. The penalty for purchase is less. Carrying a weapon on school property is a felony that carries a \$3,000 fine and a maximum prison term of five years.

The Act also provides that it is unlawful for anyone knowingly and willfully to deliver or convey to a public official, teacher or principal any letter, document, etc., that contains a threat of death or bodily harm to the person or a member of the person's immediate family.

South Carolina School Safety Act: This law amends the Code of Laws of South Carolina, 1976, by adding section 16-3-615, which provides that if a student commits an assault and battery that is not aggravated on school grounds or at a school-sponsored event against any person affiliated with the school in an official capacity, the student is guilty of the crime of assault and battery on school personnel. In addition, this law states that such an offense carries a penalty of a misdemeanor and, upon conviction, the student can be fined up to \$1,000 or imprisoned up to one year, or both.

Furthermore, the new law mandates that all offenses be placed in a student's permanent record and notice be sent to all teachers who deal with the student. Penalties for aggravated assault and battery are much harsher. Threatening a public official, a teacher, or principal now carries a fine of \$5,000 or five years, or both. Threatening a public employee (which means any other staff member who works for the District) carries a fine of \$500 or 30 days in jail, or both.

Threats: It is unlawful for any person knowingly and willfully to deliver or convey to a public official, to a teacher, or to a principal of any school any letter or paper, writing, print, or electronic communication that contains any threat to take the life of or to inflict bodily harm upon the public official, teacher, principal, or member of their immediate families. Any person violating the provision of this section must, upon conviction, be punished by a term of imprisonment of not more than 5 years.

Searches of Persons and Property: In accordance with the laws of the state of South Carolina, any person entering the premises of any school shall be deemed to have consented to a reasonable search of his or her person and effects. School principals or their designees may conduct reasonable searches on school property of lockers, desks, vehicles, and personal belongings such as purses, book bags, wallets, and satchels with or without probable cause.

School principals or their designees may conduct reasonable searches of the person and property of visitors on school premises. Failure to cooperate may result in a recommendation of expulsion for a student and the appropriate police agency shall be notified. Any weapons, liquor, wine, beer, stolen property, contraband or controlled substances found in such a search shall be

seized by the school official, the appropriate police agency notified, and the student assigned appropriate disciplinary consequences.

Law Enforcement Notification.: In addition to other provisions required by law or by regulation of the State Board of Education, school administrators must contact law enforcement authorities immediately upon notice that a person is engaging or has engaged in activities on school property or at school sanctioned or sponsored activities that may result or that results in injury or serious threat of injury to the person or to another person or his property as defined in local board policy.

False Fire Alarms & False 911 Calls: State law reads as follows: “16-17-570. Interference with fire alarm and police alarm boxes; giving false alarms. Any person who shall willfully, maliciously or mischievously interfere with, cut or injure any pole, wire, insulator or alarm box, give a false alarm from such box or by use of a telephone, or break the glass in such box of any fire or police alarm system in this state or any of the appliances or apparatus connected therewith shall be guilty of a misdemeanor and, upon conviction, shall be sentenced to hard labor in the State Penitentiary or on the chain gang for a term of not less than sixty days or the payment of a fine of not more than \$200.”

Weapons: State laws (and school district policies) prohibit any person, except law enforcement officers and personnel authorized by school officials, to carry on his person, while on any school property, a knife, a blackjack, a metal pipe or pole, firearms or any other type of weapon, device or object which may be used to inflict bodily injury or death.

This category also includes the carrying, in a concealed manner, a dirk, slingshot, metal knuckles, razor, or other deadly weapons usually used for the infliction of personal harm.

Gang Activity: Displaying any apparel, accessory, bandana, book bag, or other items that by virtue of its color, arrangement, trademark, markings or other attributes, denotes membership in a gang that advocates illegal, disruptive, or delinquent behavior is strictly prohibited, both during the school day, or at any school activity. Violations will result in serious disciplinary action. Repeat violations will result in referral to the Office of Student Placement.

Harassment, Bullying, or Intimidation: Bullying, harassment, or intimidation, like other disruptive or violent behavior, is conduct that disrupts both a student’s ability to learn and a school’s ability to educate its students in a safe environment. School administrators, faculty, staff, and volunteers will demonstrate appropriate behavior by treating others with civility and respect and will refuse to tolerate bullying, harassment, or intimidation. Persons who incite others to bully or gather groups with intent to bully shall be held as guilty of the offense as those who perform these acts. Any form of harassment, whether verbal, sexual, or physical, is a serious matter and will result in serious disciplinary action. Victims of bullying, harassment, or intimidation must report the incident immediately to a teacher or an administrator. Parents are

urged to review the complete bullying policy in the Charleston County School District Student Code of Conduct.

Possession or Discharge of Mace, Pepper Spray, etc.: Any person who has possession of or discharges mace, pepper spray, or the like will be subject to disciplinary action.

Possession, Distribution, or Use of Drugs/ Alcohol/ Other Substances: No student shall be in possession of, use, manufacture, sell, dispense, or distribute a controlled substance, a counterfeit controlled substance, an imitation controlled substance (as defined by State law), an illegal drug or narcotic, or chemical, inhalant, alcoholic beverage of any kind, or any medication not prescribed for the student by a physician on the school grounds, at school-sponsored events, on the school bus, or on school-sponsored trips. A student shall not be under the influence of any illegal drug, narcotic, controlled substance, chemical, inhalant, alcoholic beverage of any kind, or any medication not prescribed for the student by a physician.

The principal may refer to the Office of Student Placement any students found to be using, under the influence of, or in possession of drugs, alcohol, or paraphernalia. The principal shall recommend expulsion for all students involved in the distribution of drugs, alcohol, or medication. The principal or other responsible administrator shall report drug and alcohol-related offenses by students to the appropriate police authority. The principal shall retain a copy of any written report filed with law enforcement in a file established for that purpose.

Trespassing: Charleston County School District prohibits the presence of individuals on school campuses for any reason other than school-related business, functions, and activities. Any non-student entering the campus must report to the main office in the front of the building. Individuals loitering or lingering on campus without administrative approval will be considered trespassing and are subject to arrest. Any student who has been expelled may not enter any CCSD school campus without prior administrative approval. In addition, any student who is placed in an alternative program by the Office of Student Placement may not attend any school-sponsored events. If the student enters the campus without administrative permission, he/she is subject to arrest.

Vandalism: Graffiti on walls, desks, lockers, and other school areas is vandalism. Students who disfigure property, break windows, or do other damage to school or personal property or equipment will be disciplined severely. The student must make restitution for damaged property as well as make reimbursement for any rewards given. Students are subject to a referral to the Office of Student Placement due to any vandalism.

Facility Responsibility: Students must respect our campus. Use of furniture must be for its intended purpose. Students will not be permitted to stand on or abuse any interior or exterior furniture, fixtures or equipment. In addition, no adhesive material may be used on interior or exterior walls or furnishings. Students should not prop their feet onto walls or furnishings. Any damage to the facility will result in disciplinary consequences.

Environmental Responsibility: Students must respect the natural environment of the campus. Students must not approach, apprehend, or harm in any way the natural wildlife on the campus. Any damage to the campus environment will result in disciplinary consequences.

Academic Misconduct: Academic misconduct includes, but is not limited to, inappropriate use of a Laing Middle School of Science and Technology computer, cheating, plagiarism, and falsifying information. Teachers will contact parents/ guardians in the event that a student is found to be cheating. Further incidents of academic misconduct will result in disciplinary consequences.

Smoking or Use of Tobacco Products (including vaporizers & electronic cigarettes): The possession and/or use of tobacco products is prohibited on the property of all schools in the Charleston County School District. All students are prohibited from the possession and/or use of tobacco products while inside school facilities, riding school buses and activity vehicles, and during the practice of or participation in or spectator to extracurricular activities sanctioned by the CCSD.

The term “tobacco products” includes, but is not limited to, the use of cigarettes, e-cigarettes, vaporizers, cigars, pipes, chewing tobacco, smokeless tobacco, and snuff. Since students are not to be in the parking lot during the school day, the use of the parking lot as a place to smoke or use tobacco products may result in several separate violations of policies. Each one of the violations may be counted as a separate offense.

Technology Misuse: Unauthorized or illegal use of or access to computers, software, telecommunications, and related technologies and any willful act that causes physical, financial, or other harm or otherwise disrupts information technology are absolutely prohibited. Violations will result in severe disciplinary action.

DISCIPLINARY ACTION PROCESS

In general, any conduct by a student that is injurious to others or that poses a threat to the health or safety of persons or property or conduct that disrupts or interferes with the education of himself or other students shall result in disciplinary action. The Board of Trustees of Charleston County School District affirms that every effort should be taken on the part of each school to work constructively with the student in such a manner that he be allowed to preserve uninterrupted his educational goals. Disciplinary measures should be used constructively when possible, punitively when necessary. Use of consequences with special needs students will be in accordance with their respective IEPs.

The following modes of disciplinary action may be used according to approved procedures: (1) Detention, (2) Work Detail, (3) Saturday School, (4) Withholding of Privileges, (5) In-School Suspension, (6) Conditional Suspension, (7) Parent Conferences, (8) Shared Responsibility, (9)

Disciplinary Probation, (10) Suspension, (11) Alternative School Placement, (12) Expulsion, and (13) other consequences deemed appropriate by CCSD and school administration. If parent or pupil refuses punishment, the student will be suspended.

Disciplinary action will increase according to CCSD's progressive discipline plan implemented by Laing Middle School of Science and Technology staff. Special circumstances may warrant a referral to the Department of Alternative Placement for review and/or a recommendation for expulsion.

Detention: Detentions may be assigned for violations of school or classroom rules. Detentions may be held before, during, before, or after school as determined by school officials. It is the responsibility of the student and parent to arrange transportation, if applicable, to and from detention. Failure to report to detention may result in more severe disciplinary consequences.

Withholding Privileges: Student misconduct may result in the loss of the following privileges: bus transportation, locker use, participation and attendance in extracurricular activities, or other privileges as determined by the administration.

Work Detail: Work detail may be required of a student as a mode of discipline. No work will be assigned that will be harmful to a child. Authority rests with the administrators.

Saturday School: Saturday School is a program designed to correct behavior while allowing students to remain in classes during the week. Students are required to bring textbooks in order to complete any academic assignments. Members of our staff will be present to supervise students in completing academic assignments and "work detail." Students can be given several Saturdays on any single assignment. The number of Saturdays assigned depends upon the severity of the infraction.

In-School Suspension (ISS): ISS provides an alternative to suspending students from school for behavioral problems. Students may be assigned for one or several periods or the whole day depending on the circumstances. Lack of improvement in student behavior upon return from ISS to regular classes will subsequently result in more severe disciplinary consequences.

Conditional Suspension: Conditional suspension is a possible temporary exclusion of a student from school grounds for a prescribed time period, which may be avoided if the parent/guardian of the student agrees to attend a conference scheduled by school administrators. Failure to meet with the school administrator will result in the student's suspension from school.

Shared Responsibility: The principal may request that a parent/guardian attend school with the student for a period of time not to be less than one full school day. The parent or guardian attends all classes and periods with the student, including lunch, and sits next to the student for the entire school day. In the event that the parent/guardian cannot participate in shared

responsibility, then alternative consequences up to and including suspension may be imposed. If a parent refuses to accept shared responsibility, the principal will pursue the next appropriate consequence.

Out-of-School Suspension: The purpose of suspension is to notify the parent that the child's behavior is unacceptable. The term "suspension" is used in this code to mean the temporary exclusion of a student from school grounds and participation in school-sponsored activities. If another breach occurs while a student is under suspension, the suspension may be extended. Students are entitled to make up work missed during suspension. It is the student's responsibility to initiate makeup work with his or her teachers and complete all makeup work within five days of returning to school. A student is under suspension from the time he/she is notified by a school administrator.

Disciplinary Probation: The school administrators, Department of Alternative Placement, Executive Director of the MSLC, or Constituent Board of Trustees may place a student who has been found to be in violation of the Student Code of Conduct on probation. Notice of such action shall be given to student and parent. A parent conference shall be held in order to explain the guidelines for probation. The parent and student shall sign an acknowledgment of the probation.

During the probation period, the student may be denied the privileges of participation in or attendance at all extracurricular activities. At the close of the probationary period, the individual case shall be reviewed, and the student may regain all privileges. If the student is further involved in an infraction of school rules during the probationary period, he shall be suspended and/or expelled. No student shall be administratively placed on probation twice in any school year.

Expulsion: The term "expulsion" is used in this code to mean the forfeiture of a student's right to attend school in the Charleston County School District. A student excluded from any constituent district shall be ineligible to attend school in any other constituent district. Every expelled pupil shall have the right to petition for readmission for the succeeding school year. Once the expulsion process is initiated and prior to the hearing before the Constituent Board, a student cannot withdraw from school and enter another public school in Charleston County to avoid expulsion. Authority to expel a student rests with the Constituent Board of Trustees. Any student who has been expelled may not enter any CCSD school campus without prior administrative approval. Students entering the campus without prior administrative permission are subject to arrest.

Student Appeals Process: Every student is entitled to due process in discipline matters. Any student has the right to appeal disciplinary actions according to the process outlined in the CCSD Student Code of Conduct.

SCHOOL EXPECTATIONS

The purpose of Laing Middle School of Science and Technology's Positive Behavior Interventions and Support program (PBIS) is to create and maintain a positive learning environment for all children by integrating our core values daily:

- P**-- Personal Responsibility
- R**-- Respect
- I**-- Initiative
- D**-- Diligence
- E**-- Effective Communication

POSITIVE BEHAVIOR SYSTEM

The Laing Middle School of Science and Technology staff has developed a system to promote appropriate behaviors in the educational setting through a positive behavior model. Students will be rewarded for meeting and exceeding expectations for positive behavior. Teachers will handle classroom disruptions with teacher managed consequences including but not limited to BIR, Lunch Detention, and After School Detention. In cases where the teacher does not succeed in modifying the student's behavior, discipline referrals will be submitted to school administrators as per the progressive discipline plan.

A highlight of this program is that students exhibiting behavior, which reflects Laing Middle School of Science and Technology's expectations, are eligible for celebrations!

BIR

- Any student sent to BIR will complete a reflective behavior assignment.
- The student will call their parent and explain why they had to leave class.

Lunch Detention

- Held everyday during lunch

After School Detention

- Held every Monday and Thursday from 3:30-4:30
- Students will be dismissed at 3:30 to the media center
- Social Skills/character education/behavior modification lessons and work detail will be assigned

Teacher Monitored Offenses

The following are examples (not limited to) teacher monitored offenses according to Laing Middle School of Science & Technology School-Wide Expectations and will earn a documented infraction.

- Dishonesty – Failure to knowingly tell the truth; also includes petty stealing.
- Disrupting Class – Behavior that interferes with instruction, learning, and a safe and orderly environment which includes, but not limited to, chronic talking, throwing objects, horseplay, teasing, refusal to remain in seat, rude noises, selling items on
- Dress Code Violation– Noncompliance with the District and/or school dress code
- Failure to complete work – The act of not completing assigned written, oral or physical work
- Hall Pass Violation – To be in a hallway without written permission; to alter or change a hall pass from its original intent

- Inappropriate Language – Words that are not demeaning or not directed to another student or adult
- Inappropriate Materials – Related to the suspension or viewing of items considered to be unsuitable for school or school related activities
- Phone (Electronic Device) Violation– Failure to adhere to the authorized time of use outlined in the school's electronic device policy in the classroom
- Running – Running in the hallway, classroom, cafeteria, or any other unauthorized area in the school that could pose a safety issue
- Student ID Violation – Failure to comply with school identification rules
- Tardy- Not being in the room when the bell rings
- Throwing Objects – To propel or cast in any way anything that is visible or tangible
- Unprepared for class- Not having materials such as: iPad, paper, pencil, book/workbook, notebook, and agenda

Multiple Teacher Managed Offenses:

When a student receives 3 or more teacher managed offenses, the teacher managed offense will elevate to the level of an office managed referral for **Failure to Comply with Disciplinary Action**.

Effective Communication

- 1. Follow Instructions Politely**
- 2. Gain Teacher's Attention Appropriately**
- 3. Accept "No" for an Answer**
- 4. Accept Feedback Appropriately**
- 5. Disagree Appropriately**
- 6. Make a Request Appropriately**
- 7. Make Appropriate Decisions**
- 8. Resist Peer Pressure**
- 9. Apologize Appropriately**
